TO OAK AND RAILROAD TIES.

In front of the courthouse at Petersburg, Va., on MAY 15, 1909, AT 12 O'CLOCK NOON, the undersigned will seil to the highest bidder, as a whole, at public autition, for cash, for the benefit of whom it may concern, all the standing timber measuring ten inches in diameter and upward, when cut, on 256 acres of land, more or less, and all the standing pine timber measuring eight inches in diameter and upward on the stump, when cut, on 600 acres of land, more or less, This property consists of three tracts, all joined up and situated on the Virginian Railroad, near Meherin, Va., in an angle between and near the junction of the Virginian Railroad, and the nearest point from the property of the Southern Railroad and the Southern Railroad. The virginia Railroad passes directly through the property and the nearest point from the property to the Southern Railroad is about 34 miles.

The timber is almost entirely all pine, with the exception of a small area of sawmill oak and railroad ties. The traces average large, and in the opinion of practical lumber men it will cut 65 per cent, of 3-inch, 10-inch, 12-inch and up. Land lies well for logging; location healthy; labor plentitul. The owners of this property have located a complete sawmill on it for the purpose of manufacturing the lumber, built sheatles, stable, sheds. Not a stick of the lumber was ever shipped from the property, but on account of other business connections operations were stopped. Only timber necessary for buildings was cut.

This mill and buildings will be delivered without additional cost to the buyer of these three tracts of timber. Plant consists of 50-H, P. boiler, 45-H, P. engine, sawmill, Lanc carriage, set works, two inserted tooth saws, double edger, cut-off saw, chain slab carrier, sawdust blower, lumber truck, stable, sheds, belts, pulleys and all tools necessary to operate. This is an exceptional opportunity to buy a fine tract of timber with reasonable rates to deep water at Norfolk or Richmond or to the North and
